Profile

I am a dedicated Marketing Intern / Practical Trainee with a Marketing Management N6 qualification and practical experience in AI, digital communication and customer-focused projects. I work well under pressure, manage my time effectively and communicate clearly in person and in writing. I am looking for an opportunity to grow within a marketing team while adding value from day one.

Education

Northlink TVET College — Marketing Management N6 (2025 Jan – 2026 Jun)
Zonnebloeom High School — Matric (2019 – 2023)

Qualifications

- Matric — National Senior Certificate
- Marketing Management N6 — Northlink TVET College
- Google Essentials Certificate — Foundations of digital marketing
- Artificial Intelligence Bootcamp — Practical intro to applied AI tools

Key Skills

- Computer literacy — Comfortable across everyday tools and quick to learn new software.
- Excellent communication — Clear in writing and in person, whether explaining or listening.
- Works well under pressure — Stays steady and focused when the deadline closes in.
- Strong time management — Plans ahead and keeps commitments without dropping the ball.

Projects

Sentiment 360 — Customer sentiment analysis dashboard that turns feedback into clear signals.
Healthy Lifestyle — A wellness chat companion offering friendly, practical health guidance.
Coffee Shop Chatbot — A local coffee shop assistant that answers orders and menu questions.
